## BIBLE PHONICS

# A Creative Program to teach & Develop Early Bible Readers

### IT IS A PHONICS PROGRAM

where children learn the sounds of the alphabet, how to blend the sounds to form words, read a sentence and then a passage.

### IT IS BIBLE-BASED

Every lesson is based on a 4-line stanza bible story rhyme which appeals to a child's love for rhyme and rhythm.

## THE DVD AND CD

### IT IS ALSO IN DVD AND CD

To reinforce learning and help teachers unfamiliar with phonics, there is a **DVD** for each term covering the sounds, the blending and formation of words, sight words, songs, read-aloud bible story rhymes and readers. Just by watching the DVD, students can begin to read. To view Lesson 1 Term 1 on the DVD kindly go to this link: <http://www.youtube.com/watch?v=tFH61epP0II>

The CD contains all the necessary teaching aids like flashcards, matching activities, sight words, word lists, large letters, blending letters, visuals and craft worksheets in colour as well as the recording booklet. A teacher only needs to print them out and use.

## TEACHER'S MANUAL

### THE TEACHER'S MANUAL

Apart from all these, there is also the Teacher's Manual, which contains bible story lessons, puppet talks, phonics teaching activities, visuals and craft worksheets.

### THE 7 COLOUR-CODED LETTER CUBES WORDGAME

This set of 7 colour-coded letter cubes is a fun wordgame that helps children form the words.

A more complete version of this wordgame is Shuffle Champ, which is available also at Cosway outlets. A demo of this Wordgame can be viewed at this link:

## WHAT THEY HAVE TO SAY

### CHURCHES THAT HAVE USED THE PROGRAM

*"Bible Phonics is a wonderful program to teach children phonics and at the same time imparting Biblical truth. We've also found it a great means for outreach towards the community. Through this program we have even seen parents coming to the Lord."*

*Rev. Nancy Ong, Metro Tabernacle, Kuala Lumpur.*

*"The Bible Phonics program is both educational and spiritual. It's a bonus – a child not only learns about God and who He is and what He can do for us but the child also learns how to read and write."*

*Pastor Lydia Chan, Penang Christian Centre, Penang.*
